

The M-Class.

Mercedes-Benz

ML 250 CDI

The ML 250 CDI now demonstrates even more powerfully its exceptional status as the performance SUV. The aluminium-look roof rails, the 18-inch 10-spoke light-alloy wheels, and the running board in aluminium with rubber studs add the finishing touches to the styling modifications. At the front, the LED daytime running lamps integrated in the front bumper enhance perceptual safety during the daytime.

ML 400

The AMG Exterior Sports package adds to the dynamic presence of the M-Class. The AMG body styling impresses with front and rear aprons as well as vehicle-colour side skirts which have a particularly dynamic look. High-shine 20-inch AMG 5-spoke light-alloy wheels enhance the exterior design significantly while perforated front brake discs with a brake calliper aperture complete the impressive presence. The visual is completed by the AMG sports exhaust system whose chromed twin tail pipes promise a no less thrilling acoustic experience.

Max. pleasure Min. strain

The cockpit of the M-Class conveys a typical SUV driving sensation with excellent visibility of the controls and the road. Important display elements are arranged and organized clearly and ergonomically on the centre console. Thanks to a fully electric seat adjustment with memory package, the seat can be adjusted for excellent comfort on long journey.

***Important Note:

ML 250 CDI is equipped with a Euro 4 diesel technology engine that needs a good quality diesel fuel with the following requirements:

- Diesel fuel with low sulfur content (<500ppm)
- High cetane index (>48)

Currently only Pertamina DEX can fulfill Mercedes-Benz Euro 4 diesel engine requirements. Therefore, we would like to request our valued customers to use Pertamina DEX only for this model until further notice.

Any damage resulting from the usage of incorrect diesel fuel will effect to void any warranty coverage on the power train.

ISP - Integrated Service Package.

Your peace of mind.

To make your driving more enjoyable, your Mercedes-Benz comes with an ISP as a standard. The ISP means free service maintenance and repairs for the first 3 years without mileage limitations, from the first registration date (Date of New Vehicle Delivery Certificate) of your Mercedes-Benz. Thus you can always continue your journey without delay and the rest becomes our task to serve you. This comprehensive service package comes with every new Mercedes-Benz passenger car as a standard.

The ISP entitles you to:

- Manufacturer's warranty, service, maintenance and repairs of your Mercedes-Benz at no cost (subject to certain conditions).
- You will enjoy carefree driving and there are no unpredictable service costs.
- High and uniform service quality from authorized Mercedes-Benz Service Centers.

Your Mercedes-Benz will be kept in an excellent condition because the authorized Mercedes-Benz Service Centers carry out regular service and maintenance, as well as repairs, with original Mercedes-Benz spareparts, by specially trained and certified technicians.

Every Mercedes-Benz car which was purchased through an authorized dealership, will also be equipped with the Mercedes-Benz Service Card as identification. The Mercedes-Benz Service Card will be used as validation of your car, and will also state the validity period of your ISP. Please bring along your Mercedes-Benz Service Card when you want to have your Mercedes-Benz serviced.

Visit our authorized Mercedes-Benz Service Centers at any time convenient to you. Our highly trained and dedicated team, complete tools and sophisticated diagnostic equipment are ready to serve you and your Mercedes-Benz.
