

The GLA-Class.

Mercedes-Benz

GLA 200 Urban

City. Country. Away. The Urban line is given a sportier look by 18-inch 5-twin-spoke light alloy wheels with 235/50 R 18 tyres and a dark-chrome simulated underguard. The aluminium roof rails emphasise the vehicle's athleticism all along the line. The sporty appearance is rounded off by chrome twin tailpipes.

GLA 200 Sport

Pioneering spirit meets sporting flair. With its hallmark AMG front apron, the new GLA has both of these attributes written all over its face. This impression is reinforced by the sill panels, AMG rear apron and twin-pipe exhaust system. The AMG line featuring an automatic panoramic sliding sunroof comes with 19-inch AMG 5-twin-spoke light alloy wheels with 235/45 R 19 tyres, perforated front brake discs and front brake callipers with "Mercedes-Benz" lettering.

GLA 200 Urban

The Urban package ensures the new GLA satisfies the most precise requirements in terms of a high grade and stylish interior, which features comfort seats upholstered in ARTICO man-made leather and anthracite wave-look trim. Not only equipped with multifunction steering wheel, it is also luxuriated with electrically adjustable driver's seat.

GLA 200 Sport

The GLA 200 Sport exudes a feel of driving pleasure with the AMG line. From the ARTICO man-made leather/DINAMICA microfibre featuring red contrasting topstitching in conjunction with sport seats to the light aluminium with longitudinal grain trim and stainless-steel-look pedals. In addition to the multifunction steering wheel and instrument panel, such items as the shift/selector lever or door centre panel are matched tone-in-tone.
