

# ISP - Integrated Service Package.

## Your peace of mind.

To make your driving more enjoyable, your Mercedes-Benz comes with an ISP as a standard. The ISP means free service maintenance and repairs for the first 3 years without mileage limitations, from the first registration date (Date of New Vehicle Delivery Certificate) of your Mercedes-Benz. Thus you can always continue your journey without delay and the rest becomes our task to serve you. This comprehensive service package comes with every new Mercedes-Benz passenger car as a standard.

The ISP entitles you to:

- Manufacturer's warranty, service, maintenance and repairs of your Mercedes-Benz at no cost (subject to certain conditions).
- You will enjoy carefree driving and there are no unpredictable service costs.
- High and uniform service quality from authorized Mercedes-Benz Service Centers.

Your Mercedes-Benz will be kept in an excellent condition because the authorized Mercedes-Benz Service Centers carry out regular service and maintenance, as well as repairs, with original Mercedes-Benz spareparts, by specially trained and certified technicians.

Every Mercedes-Benz car which was purchased through an authorized dealership, will also be equipped with the Mercedes-Benz Service Card as identification. The Mercedes-Benz Service Card will be used as validation of your car, and will also state the validity period of your ISP. Please bring along your Mercedes-Benz Service Card when you want to have your Mercedes-Benz serviced.

Visit our authorized Mercedes-Benz Service Centers at any time convenient to you. Our highly trained and dedicated team, complete tools and sophisticated diagnostic equipment are ready to serve you and your Mercedes-Benz.
