

The CLA-Class.

Mercedes-Benz

CLA 200 Urban

With a highly stretched beltline, flat window surfaces and a long bonnet, the CLA 200 Urban shows dramatic Coupé proportions. The coupé styling is further underlined with an arrow-shaped softnose, a black diamond radiator grille with a heavily contoured and organically integrated louvre and central star. The prominent front bumper also comes with a strikingly contoured surround for the large air inlet at the center. The horizontally structured rear end features a two-pipe exhaust system with chrome-plated tailpipe trims. Additionally, the CLA 200 Urban comes with dynamic 5-twin spoke light-alloy wheels 18" in himalayas grey.

CLA 200 Sport

The defining features are the AMG bodystyling, comprising front and rear aprons as well as side skirts, the chromed diamond radiator grille with a silver-coloured louvre and chrome highlights, and the two-pipe exhaust system with trapezoid tailpipe trims. Handling and driving enjoyment attain new heights of excellence thanks to the lowered sports suspension while even the appearance of the headlamps seems to express a hunger for the open road. The AMG 5-twin-spoke light-alloy wheels 18", with perforated front brake discs and front brake callipers with "Mercedes-Benz" lettering round off the striking exterior.

CLA 200 Urban

Dynamism is also the dominant theme of the Urban equipment line, which features a three-spoke multifunction steering wheel with perforated leather in the grip area and contrasting topstitching. Further features include silver-colored wave-look trim and sports seats upholstered in ARTICO man-made leather/ Corumba fabric with contrasting topstitching in an expanded color spectrum.

CLA 200 Sport

Expressive contrasting red topstitching is featured on the black sports seats in ARTICO man-made leather/DINAMICA microfibre, on the flattened multifunction sports steering wheel and on the shift lever in perforated leather, on the armrest in the centre console and in the doors. Further features of the interior include door centre panels in black DINAMICA microfibre and a black roof liner, light longitudinal-grain aluminium trim, brushed stainless steel sports pedals with rubber studs and cord floor mats with black piping, red topstitching and “AMG” lettering. Rear door sill panels in aluminium completes the ensemble.

Specification

CLA 200 Urban & CLA 200 Sport

SIGHT & LIGHT

- Bi-Xenon headlamps
- Headlamp cleaning system
- LED third brake light
- Automatically dimming interior and exterior mirrors
- Sun visors with illuminated vanity mirrors
- Illuminated door sill panels
- Front fog lamps*

The CLA-Class now comes with new features

COLLISION PREVENTION ASSIST PLUS

Bringing safety in driving to the next level.

COLLISION PREVENTION ASSIST.

The system gives the driver a visual warning if the distance from a vehicle in front is inadequate. On detecting the danger of a collision there is an acoustic warning, driver braking can be assisted and, if the driver fails to react, the speed can be reduced autonomously

SD-card slot for Garmin MAP PILOT

Find your routes.

Audio 20 CD with integrated Garmin® navigation.

User-friendly navigation, precise map data and excellent route guidance – the Garmin® MAP PILOT brings all the familiar benefits of a Garmin® navigation system to the Audio 20 CD. 3D views with exact visualisation of roads and buildings as well as photo-realistic junction and lane assistants make it easy for drivers to orientate themselves.

ISP - Integrated Service Package.

Your peace of mind.

To make your driving more enjoyable, your Mercedes-Benz comes with an ISP as a standard. The ISP means free service maintenance and repairs for the first 3 years without mileage limitations, from the first registration date (Date of New Vehicle Delivery Certificate) of your Mercedes-Benz. Thus you can always continue your journey without delay and the rest becomes our task to serve you. This comprehensive service package comes with every new Mercedes-Benz passenger car as a standard.

The ISP entitles you to:

- Manufacturer's warranty, service, maintenance and repairs of your Mercedes-Benz at no cost (subject to certain conditions).
- You will enjoy carefree driving and there are no unpredictable service costs.
- High and uniform service quality from authorized Mercedes-Benz Service Centers.

Your Mercedes-Benz will be kept in an excellent condition because the authorized Mercedes-Benz Service Centers carry out regular service and maintenance, as well as repairs, with original Mercedes-Benz spareparts, by specially trained and certified technicians.

Every Mercedes-Benz car which was purchased through an authorized dealership, will also be equipped with the Mercedes-Benz Service Card as identification. The Mercedes-Benz Service Card will be used as validation of your car, and will also state the validity period of your ISP. Please bring along your Mercedes-Benz Service Card when you want to have your Mercedes-Benz serviced.

Visit our authorized Mercedes-Benz Service Centers at any time convenient to you. Our highly trained and dedicated team, complete tools and sophisticated diagnostic equipment are ready to serve you and your Mercedes-Benz.
