

The C-Class.

Mercedes-Benz

C 200 AVANTGARDE

The expressive nature of the new C-Class AVANTGARDE is immediately obvious. It is remarkably different and unique, featuring chromed trims in bumpers and side skirts, 17-inch 5-twin-spoke light-alloy wheels painted in Himalayas grey in high-sheen finish, with 225/50 tyres and a radiator grille with an integral Mercedes star and two louvres in matt iridium silver with chrome inserts. The exhaust system is invisible beneath the bumper, underlining the sporty look.

C 250 EXCLUSIVE

As far as the eye can see, the only thing that emerges from the C 250 Exclusive is perfection. Built especially for those who love understated elegance, the C-Class Exclusive is a classical-modern state of the art piece, which comes through from its luxurious exterior in chromed trim and 17-inch multi-spoke light-alloy wheels in vanadium silver, with 225/50 tyres. The twin-pipe exhaust system is integrated into the rear bumper, making its graceful presence stands out even more.

C 250 AMG

AMG. The sportiest abbreviation for dynamic and sporty design. The powerful AMG Line with striking AMG bodystyling is in top shape when viewed from any angle. Starting from the AMG front apron with its sporty air intakes with chrome trim, AMG side sill panels and the AMG diffuser-look of the rear apron with inserts in body color. The look excels with its 18-inch AMG 5-spoke light-alloy wheels painted in titanium grey with high-sheen finish, with 225/45 (front) and 245/40 (rear) tyres. The exhaust system with two visible tailpipe trim elements is integrated into the bumper.

C 250 EXCLUSIVE Estate

Cultivates new standards through a design that carries you away and doesn't let go - in an innovative technology which transforms into an incomparable driving feel and in a space which offers you more freedom. Look along the polished aluminium roof rails and 17-inch multi-spoke light-alloy wheels painted in vanadium silver, with 225/50 tyres that follow the elegant design in complete harmony and technology such as AIRPANEL that offers less air resistance that leads to lower fuel consumption. Everything comes to a conclusion - that generosity is absolute when it is evident everywhere.

The image shows the driver's perspective from inside a Mercedes-Benz car. The steering wheel is black with a perforated leather texture and features the Mercedes-Benz star logo in the center. Behind the wheel is a digital instrument cluster displaying speed, gear (R, N, P, R, D), and other vehicle metrics. To the right, a large infotainment screen shows a music interface with the text 'Various Artists' and 'Mixed Tape Orchid Blast', along with album art. The dashboard and center console have circular air vents and various control buttons. A head-up display is visible at the top of the windshield, showing navigation and speed information. The car is parked on a road with a dry, hilly landscape in the background.

The best knows no alternative.

A saloon designed to appeal to all your senses. High perceived quality, attained through the design idiom and the selection of combinations of high quality materials, distinguishes the sporty interior. Tangible precision, quality and much love for detail make for an up-to-date visual design as well as a tactile and acoustic experience. While the head-up display technology which enhances safety as you receive the key driver information at a glance without having to take your eyes off the road. Sharpen your senses for an intense escapade.

ISP - Integrated Service Package.

Your peace of mind.

To make your driving more enjoyable, your Mercedes-Benz comes with an ISP as a standard. The ISP means free service maintenance and repairs for the first 3 years without mileage limitations, from the first registration date (Date of New Vehicle Delivery Certificate) of your Mercedes-Benz. Thus you can always continue your journey without delay and the rest becomes our task to serve you. This comprehensive service package comes with every new Mercedes-Benz passenger car as a standard.

The ISP entitles you to:

- Manufacturer's warranty, service, maintenance and repairs of your Mercedes-Benz at no cost (subject to certain conditions).
- You will enjoy carefree driving and there are no unpredictable service costs.
- High and uniform service quality from authorized Mercedes-Benz Service Centers.

Your Mercedes-Benz will be kept in an excellent condition because the authorized Mercedes-Benz Service Centers carry out regular service and maintenance, as well as repairs, with original Mercedes-Benz spareparts, by specially trained and certified technicians.

Every Mercedes-Benz car which was purchased through an authorized dealership, will also be equipped with the Mercedes-Benz Service Card as identification. The Mercedes-Benz Service Card will be used as validation of your car, and will also state the validity period of your ISP. Please bring along your Mercedes-Benz Service Card when you want to have your Mercedes-Benz serviced.

Visit our authorized Mercedes-Benz Service Centers at any time convenient to you. Our highly trained and dedicated team, complete tools and sophisticated diagnostic equipment are ready to serve you and your Mercedes-Benz.
