

# Genuine Accessories

GLC

Mercedes-Benz  
The best or nothing.

## Safety and Quality.

At Mercedes-Benz the vision of accident-free driving is paramount. Because where Mercedes-Benz vehicles are concerned, we take the same uncompromising approach to safety as we do to driving pleasure. There are no compromises when it comes to developing the range of Genuine Accessories either. Perfectly tailored to your vehicle and extensively tested by our engineers, the products not only make an active contribution to your safety but also protect other road users.

The star logo has always signified allure, perfection and responsibility – attributes which are also reflected in the quality of our accessories, all of which further enhance our vehicles' style or sportiness – not to mention their already outstanding comfort. That special sense of design, zeitgeist and attention to detail make a vehicle a true Mercedes-Benz. From that first outward impression to the inner attributes. Quality you can sense just by looking, listening, touching – and of course driving.

<sup>1</sup> Mercedes-Benz Sport-Equipment. Can also be selected without other Mercedes-Benz Sport Equipment.

Light-alloy wheels are supplied without tyres, wheel bolts, valve caps or hub caps.

Because of differences in national regulations, various different versions of each vehicle exist. Please also bear in mind that vehicle development is permanently ongoing. As a result, not all of the wheel/tyre combinations shown in this brochure will be approved for your particular Mercedes-Benz. Your Mercedes-Benz partner has access to constantly updated information on every Mercedes-Benz wheel, including the relevant technical inspection findings and licensing conditions, and will be happy to advise you.

# A nuance more.

## Wheel accessories.

	Item no.
01 LED Mercedes star projectors, set of 2 <sup>1</sup> . For the exit lamps in the side doors.	A166 820 5900

# Expressly designed to turn heads. Mercedes-Benz Sport Equipment.

Higher, faster, further ahead: Mercedes-Benz Sport Equipment doesn't just underline your car's sporty side. Design trim for the front and sides, chromed

front trim and a roof spoiler turn the road into your stage and the roadsides into a spectator area. Captivate your public with your dynamic appearance.

	Item no.
01 <b>High-sheen chromed front trim, 2-piece set.</b> High-sheen chromed trim elements in the air intakes add a distinctive accent for an individual look.	A253 820 2100
<b>Design trim.</b> With their grained black finish, these Mercedes-Benz Sport Equipment trim elements add a dynamic finishing touch to your car's exterior. Particularly when front and side trim are combined.	
02 <b>Design trim for front bumper with larger angle of approach/departure, black, grained.</b> For OFF-ROAD exterior, optional extra Code U89.	A253 880 1101
03 <b>Design front trim for front bumper, black, grained.</b>	A253 880 1201
04 <b>Design side trim, 8-piece set, black, grained.</b>	A253 725 4700
05 <b>Running boards, set.</b> Aluminium-look running boards with black, non-slip rubber studs. Robust, dimensionally stable plastic.	A253 520 0600
06 <b>Roof spoiler, 2-piece, primed.</b> A distinctive touch that gives the rear of the vehicle a more dynamic and sporty look. Does not affect field of vision in rear-view mirror. A high-quality primed finish allows the product to be painted in desired colour.	A253 793 0000
07 <b>High-sheen chromed rear trim strip.</b> Coordinates with all of your vehicle's chrome trim parts.	A253 820 2000

# Get in. Sit back. And enjoy. Mercedes-Benz telematics.

Give your car your own personal stamp. The networking of telecommunication and informatics systems inside the vehicle makes for a totally new entertainment experience. In addition to telephone, audio, video and internet, your entire navigation is also available at a glance on the multimedia system's high-resolution

display. But there's even more: when it comes to entertainment, you can give your rear passengers front row seats – thanks to the iPad® Docking Station for the rear compartment, which allows occupants in the rear to enjoy their favourite content every kilometre of the way. Welcome the world to your GLC.

Item no.

- 01 iPad® Docking Station for rear compartment, plug & play.** The mount, which can be tilted and rotated, allows you to position your iPad® to suit your requirements, vertically or horizontally. All of your device's control elements remain fully accessible. The mount and the supplied protective film for the device's screen enhance crash safety. The film also helps prevent the display from being scratched. Simply slide the mount into the slot provided on the back of the front seats until it latches securely into place. When an iPad® is inserted, it will automatically begin to recharge. Further devices can be charged via the USB interface and separately available charging cable. Vehicle must feature pre-installation for Rear Seat Entertainment System (optional extra Code 866).

**iPad® 4.**

	Item no.
01 <b>Garmin® MAP PILOT.</b> Transforms your Audio 20 radio into a high-performance navigation system with 3D map views. Garmin® MAP PILOT uses the standard-fit 17.8 cm colour TFT display and can be conveniently operated via the vehicle's Controller and the Audio 20 keypad. Available for a whole range of countries. For details and the latest updates, visit the Mercedes-Benz Shop at <a href="http://shop.mercedes-benz.com">http://shop.mercedes-benz.com</a> .	A205 906 5502
02 <b>Mercedes-Benz Bluetooth® (SAP)<sup>1</sup> telephone module<sup>2</sup>.</b> The telephone module ensures that COMAND Online has a fast, stable and secure internet connection via the integral UMTS module and the direct link to the vehicle's external aerial. You can simultaneously talk on the phone, use Mercedes-Benz Apps and have your text messages read aloud. The telephone module can be used as a permanently installed telephone or as a data modem with all of the functions of Convenience Telephony (Code 386): it is operated via your multimedia system and uses the personal contact details on your mobile's SIM card. With USB interface for power supply. The telephone module can be operated via the SIM card in your mobile phone or by inserting a SIM card directly into the module.	A212 906 6303
03 <b>Universal smartphone holder.</b> The universal smartphone holder allows you to use a variety of different phones in conjunction with the vehicle's external aerial. The size of the holder can be altered at the upper and lower edge to offer the optimum fit for each smartphone. The holder is fitted to the pre-installation in the centre console as normal and the smartphone is connected to the audio system via Bluetooth®. The inductive aerial in the holder, together with the connection to the external aerial, ensures optimum reception during phone calls or when using the internet e.g. MB Apps or internet radio. Separately available charging cables with micro USB or Lightning connectors allow you to charge your smartphone in conjunction with the universal smartphone holder. These cables have a specially shaped plug which is ideal for use in your vehicle's centre console. A list of currently supported phones can be found at <a href="http://www.mercedes-benz.com/connect">www.mercedes-benz.com/connect</a> .	A222 820 6401
<b>Charging cable with micro USB connector</b>   not pictured.	A222 820 6601
<b>Charging cable with Lightning connector</b>   not pictured.	A222 820 6701
04 <b>Europe navigation updates for COMAND Online and Garmin® MAP PILOT.</b> Did you know that we update 20% of the information on our navigation media every year? Changes include new roads and junctions, altered priorities, new points of interest such as filling stations and restaurants and additional countries, above all in Eastern Europe <sup>3</sup> .	on request
05 <b>Media Interface consumer cables.</b> Control your iPod®, your iPhone® or other devices with a micro USB connection via the multifunction steering wheel or your audio system. Display the song, artist or album/playlist of your choice in the instrument cluster or your audio system's monitor. And charge your device's battery – via the universal interface in the centre console. For further information, go to <a href="http://www.mercedes-benz.com/connect">www.mercedes-benz.com/connect</a> .	A222 820 8800

<sup>1</sup> SAP (SIM Access Profile) enables the module to read your mobile's SIM card. <sup>2</sup> Only in conjunction with Convenience Telephony (Code 386).

<sup>3</sup> For the latest navigation updates, visit our online shop at <http://shop.mercedes-benz.com>. Orders can only be placed and deliveries made within Germany.

Please ask your Mercedes-Benz partner whether your mobile phone is suitable for use with COMAND Online.

# Stylish on the outside. And inside – wow.

# Reassuringly protective. Child safety.

At Mercedes-Benz safety is paramount – especially when it comes to your offspring. If your seat features automatic front passenger airbag deactivation with seat occupancy recognition, the front passenger airbag is automatically deactivated when a child seat is fitted to the front passenger seat. All child seats can also be used without the ISOFIX attachment system.

Mercedes-Benz child seats are available in the “Limited Black” design. The covers are washable and very hardwearing. Replacement headrest covers are available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in chilli red and flannel grey. And all of our seats come with a reassuring sense of safety.

	Item no.
01 “KIDFIX” child seat.	A000 970 3800 9H95
Booster seat for optimum side-impact protection, with height-adjustable backrest. The “KIDFIX” seat is secured using the 3-point seat belt and ISOFIT attachment points. For children between the ages of around 3.5 and 12 (15 to 36 kg).	
02 “DUO plus” child seat.	A000 970 3700 9H95
Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable harness, ventilation channels and ISOFIX attachment points. Adjustable tilt.	
03 “BABY-SAFE plus II” child seat.	A000 970 3600 9H95
Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg).	
<b>Headrest cover.</b> For “KIDFIX” child seat.

# Wind resistance is futile.

## Genuine transport solutions.

	Item no.
01 <b>Alustyle Easy-Fix basic carrier bars for roof rails.</b> Multifunctional aluminium bars with newly developed aerodynamic profile based on aircraft design which significantly reduces wind noise and harmonises perfectly with your Mercedes-Benz. The basic carrier bars for roof rails, precision-tailored to the body of your vehicle, offer the basis for a range of Mercedes-Benz transport accessories, e.g.: ski and snowboard rack, bicycle rack or roof boxes. Crash-tested. Lockable.	A253 890 0593
<b>Transport and stowage bag</b>   not pictured. Robust bag, made from high-quality nylon fabric. Protects your carrier bars when stowing or transporting them.	A000 890 0111
<b>Mercedes-Benz roof boxes.</b> An aerodynamic design, tailored to your Mercedes-Benz. In extremely durable material. Designed for quick, optimised attachment to the basic carrier bars for roof rails. Particularly convenient loading and unloading thanks to the option of double-sided opening. Lockable from both sides.	
02 <b>Mercedes-Benz roof box 330, matt silver.</b> Capacity approx. 330 litres. Maximum load capacity 50 kg <sup>1</sup> .	A000 840 0400
03 <b>Mercedes-Benz roof box 400.</b> Capacity approx. 400 litres. Maximum load capacity 75 kg <sup>1</sup> . Handle strip for easier opening and closing.	
black metallic	A000 840 0000
matt silver	A000 840 0100
04 <b>Mercedes-Benz roof box 450.</b> Capacity approx. 450 litres. Maximum load capacity 75 kg <sup>1</sup> . Handle strip for easier opening and closing.	
black metallic	A000 840 0300
matt silver	A000 840 0200
05 <b>Ski rack insert.</b> Insert for securing your skis – precision-tailored to the internal dimensions of the roof box.	
For roof box 330. A secure hold for up to 3 pairs of skis <sup>2</sup> .	A000 840 4718
For roof box 400. A secure hold for up to 4 pairs of skis <sup>2</sup> .	A000 890 2193
For roof box 450. A secure hold for up to 5 pairs of skis <sup>2</sup> .	A000 840 4818
06 <b>New Alustyle ski and snowboard rack, Comfort.</b> For up to 6 pairs of skis <sup>2</sup> or 4 snowboards. Lockable. Practical pull-out function makes loading and unloading easier.	A000 890 0393
07 <b>New Alustyle ski and snowboard rack, Standard.</b> For up to 4 pairs of skis <sup>2</sup> or 2 snowboards. Lockable.	A000 890 0493

<sup>1</sup> Please bear in mind your vehicle's permissible roof load. <sup>2</sup> Subject to geometry of skis.

## Genuine bicycle racks.

	Item no.
01 <b>Rear-mounted bicycle rack for trailer coupling, folding.</b> Easy-to-use, lockable rear-mounted bicycle rack, designed to provide secure transport for 2 or 3 cycles. Extremely simple to fit to the trailer coupling. Securing your bikes on the rack is equally simple. Maximum load of up to 30 kg per rail, making rack suitable for most ebikes. An ingenious roller mechanism means that the load compartment can still be opened. The rack is easy to fold for space-saving stowage in the load compartment, at your holiday accommodation or at home.	
For 2 cycles.	A000 890 0300
For 3 cycles.	A000 890 0400
02 <b>New Alustyle bicycle rack</b> <sup>1</sup> . Extremely lightweight bicycle rack, designed to be attached to the basic carrier bars for roof rails. Cycles can either be attached to the rack once it is in place on the roof or before it is fitted. Support frame folds down when not in use to reduce drag when travelling without cycles. Suitable for cycles with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes).	A000 890 0293
Distance adapter for bicycle rack   not pictured. Connecting element, required when using the New Alustyle bicycle rack. Easy for the customer to fit.	A002 990 0399
03 <b>Adapter for trailer.</b> Adapts 13-pin vehicle socket to 7-pin trailer plug.	A000 821 1856
04 <b>Trailer coupling.</b> Fully automatic folding trailer coupling, specifically for Mercedes-Benz vehicles. High corrosion protection. Maximum drawbar load 60–100 kg <sup>2</sup> .	on request

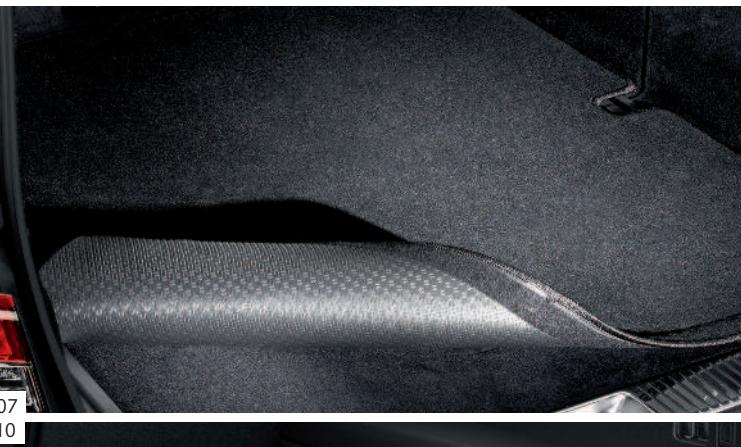

<sup>1</sup> Please bear in mind your vehicle's permissible roof load. <sup>2</sup> Maximum drawbar load depends on engine variant.

# A place for everything.

## Genuine load compartment accessories.

	Item no.
01 <b>Concertina bags, black.</b> A practical addition to the EASY-PACK load-securing kit (Code 942). Offer a secure hold for your shopping.	A000 890 0611
02 <b>Collapsible shopping crate, anthracite.</b>	A203 840 0020
03 <b>Shallow boot tub, black.</b> Made from impact-resistant, non-slip polypropylene. Suitable for transporting foodstuffs. Structured surface holds separately available stowage crate in place. Vehicle's load-securing rings remain accessible.	A253 814 0000
03 <b>Stowage crate, black.</b> A secure hold for items which are liable to tip over or slide around. Optimum functionality only in conjunction with shallow boot tub.	A000 814 0041
04 <b>Deep boot tub, black.</b> Deep edge all round. Made from flexible, impact-resistant plastic. Suitable for transporting foodstuffs.	A253 814 0100
05 <b>Coolbox.</b> Not only cools but warms too. Cools to up to 20°C below ambient temperature – to max. -2°C. Can be switched to warming function. 24 litres. Can be connected to 12 V socket in vehicle or to 230 V power source via separately available rectifier.	A000 820 4206
05 <b>Rectifier.</b> Allows the coolbox to be connected to a 230 V socket at home.	A000 982 0021
06 <b>Tie-down strap, black.</b> Adjustable strap with fastener – ideal for securing items to the load-securing rings.	A000 890 0294
07 <b>Reversible mat, black.</b> Helps keep the original floor of the load compartment clean. Can be connected to concertina load sill protector.	A253 680 6601
08 <b>Luggage net, floor of load compartment, black.</b> Prevents lightweight objects from sliding around during the journey. In pocket format.	A253 860 0900
09 <b>Concertina load sill protector, black.</b> Protects the rear of the vehicle from scratches when you're loading up – and prevents dirt from the vehicle from getting onto your clothes. Practical design – can be secured to shallow boot tub or reversible mat.	A212 680 0246
10 <b>Snap-in module for load compartment floor<sup>1</sup>.</b> Partition your load compartment to suit your requirements and prevent the contents from sliding around. The brackets can be freely positioned along the outer edges of the load compartment floor. The system's telescopic frame provides a secure hold. Factory-fitted pre-installation (Code 942) is not required.	A204 860 0134
<b>Charger with trickle charge function, 5 A</b>   not pictured. Checks, charges and revives your battery – even if it's totally flat. Tailored to your vehicle's complex electronic systems.	A000 982 3021
<b>25 A.</b> This variant offers a faster charging process and a selection of different charging modes.	A000 982 0321
<b>Fluorescent jacket, compact</b>   not pictured. This fluorescent yellow jacket makes you more visible to others.	A000 583 3500

<sup>1</sup> With the extension kit for the snap-in module in place, concertina bags can be fitted in the load area without pre-installation of the load-securing rails (optional extra Code 942).
